St. James's, June 4.

AN humble Addreſs from the Lieutenant, High Sheriff, Deputy-Lieutenants, and Juſtices of the Peace of the North Riding of the County of York, has been preſented to His Majeſty by the Honourable Conyers Darcy, Eſq; Lieutenant and Cuſtos Rotulorum of the ſaid Riding, accompanied by ſeveral Gentlemen of that County, who had all the Honour to kiſs His Majeſty's Hand.

Which Addreſs His Majeſty was pleaſed to receive very graciouſly.

Dreſden, May 30. On the 25th Inſtant Mr. Scot the Britiſh Miniſter had Audience of Leave of the King of Poland. To-morrow he ſets out from hence for Pretſch, to take like Audience of the Queen of Poland; and will then proceed to the Court of Berlin.

Berlin, June 5. James Scot, Eſq; His Britannick Majeſty's Miniſter, is arrived here. The Lord Whitworth His Britannick Majeſty's Ambaſſadour Plenipotentiary, ſet out from hence this Morning for Holland, there to imbark for England.

Cambray, June 8, *N. S.* This being His Britannick Majeſty's Birth Day, his Excellency the Lord Polwarth gave a very ſplendid Entertainment to all the Ambaſſadours and Miniſters and other Perſons of Diſtinction of both Sexes at this Place. There were four Tables with twenty four Covers each; and after Dinner and Supper there was a Ball: The Court and the Gardens of his Excellency's Hôtel were illuminated.

Hague, June 12. *N. S.* Yeſterday arrived at Rotterdam the Catherine Yacht, which is to carry over the Lord Whitworth to England.

HIS Swediſh Majeſty having always at Heart to promote and advance Commerce in a free and unlimited Courſe, as far as may be conſiſtent with the Security of his Dominions, has therefore out of his tender Regards been pleaſed to make in the ſeveral Regulations already publiſhed the following Alterations and Modifications.

1. Since the Place hitherto ordered for the performing of Quarantain, viz. Karingöen, is ſomewhat out of the Road for Shipping, his Majeſty has therefore, for their greater Conveniency, ordered and aſſign'd in Lieu thereof, on a Place called Kohlſund, ſituated within Winga, by the Road of Elsborg near Gothenborough.

2. To this Place are only required to go thoſe Ships, that either come from infected Places in France, the Levant, or are laden with any Goods from thence: All other Ships coming from the Weſt Seas, and which are bound to any Swediſh Harbour in the Sound, on this Side of the Sound, have Liberty, without ſtopping firſt at the ſaid Place of Quarantain, to proceed on their Voyage to the ſeveral Ports to which they are bound, yet muſt anchor before they enter, and, purſuant to his Majeſty's late Regulations, deliver their Writings and Documents to the Pilots appointed, who are to convey them to proper Officers in the Place, who, after having examined the ſame, are without Loſs of Time, to permit the Ship to enter into the Harbour and there unload. This is however to be underſtood only of thoſe Ships, which are provided with proper and required Documents. Thoſe not ſo provided will be ſent to the Place of Quarantain, or entirely denied Entrance, and liable to the Puniſhment incurr'd by the aboveſaid Regulations. Under this Article are likewiſe comprehended all Ships coming from uninfected Places and bound for any of the Swediſh Harbours within the Sound; theſe are to addreſs themſelves to the Swediſh Commiſſary Barckman, reſiding at Helſingborg, to have their Documents by him examined, as by the former Regulations is required.

3. Ships that come from Places not infected, and which carry only the Manufactures and Product in general of their reſpective Countries, and are not ſuſpected of carrying other Goods and Merchandizes than ſuch as are mentioned in the following Specification, are exempted from taking any further Certificates from his Swediſh Majeſty's Miniſters; but they are to be admitted by Virtue of thoſe given them by the Magiſtracy of each Place they come from.

However the Cities of Hamburg, Lubeck and Dantzig are from this excepted, who may with all Conveniency be furniſhed with Certificates of the Swediſh Miniſters reſiding there; except Ships from the two laſt named Cities loaden with Corn and Proviſions.

4. Concerning the Regulations before made, about the ſpecifying of the Quality, Goodneſs, Meaſure and Weight of what is contain'd in each Bale, Cask, &c. to be exported, it is to be underſtood, that each Exporter ſhall only be obliged to declare in groſs the Quantity and Quality of the Goods.

Specification of Goods and Merchandizes allowed to be imported in the Swediſh Harbours by proper Certificates of the Magiſtracy in the following Places, viz.
